FENCING OPTIONS

HOARDING PANELS

These panels are commonly used to keep the public away from dangerous areas or to keep an area private.

temporary hoarding panels are manufactured from high density polypropylene. These professional looking panels don't damage the ground and are suitable for uneven surfaces.

PRESTIGE FENCING

Used to provide security and protection of guests at events, these stylish looking fencing panels are popular for their unique anti-climbing properties

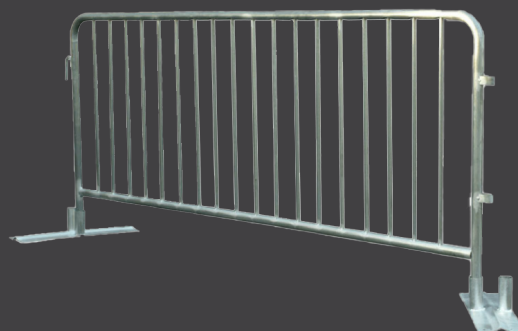

For an extra level of security with aesthetic appeal, prestige fencing is an ideal choice.

CROWD CONTROL BARRIERS

Crowd control barriers are perfect for directing foot traffic on the road or footpath. They are commonly used at concerts, festivals and markets.

The lightweight nature of the fencing makes these barriers easy to relocate them as needed.
